**Il bilancio sociale dedicato alle differenze di genere tra uomini e donne**

Le iniziative della Provincia di Genova Le differenze tra uomini e donne vanno inserite tra gli elementi di valutazione dei soggetti politici, poichè le conseguenze delle loro decisioni hanno impatto diverso su uomini e donne. Maggiore equità, efficienza, trasparenza e consapevolezza sono gli obiettivi che si vogliono raggiungere.

**Focus sulle Buone Prassi**

L'analisi di genere del Bilancio sul comune di Sestri Levante

Il Comune di Sestri Levante è stato il primo in Italia a riclassificare il suo bilancio in un'ottica di genere. Il metodo di analisi acquisito ci dà la possibilità di osservare come i servizi forniti dagli Enti Pubblici possano essere mirati a soddisfare i bisogni di donne e uomini. Il metodo e l'analisi fatta su Sestri Levante è scaricabile qui
